## 1. Martingale Strategy Kya Hai? Simple Hindi Explanation

**Aviator Martingale Strategy** ka basic idea bahut simple hai bhai:

- Har loss ke baad bet **double** kar do
- Jab win ho jaaye — starting bet pe wapas aa jao
- Ek single win se saare previous losses recover + profit!

**Example:**

₹100 → loss → ₹200 → loss → ₹400 → win at 2x = ₹800  
→ Saare loss recover + ₹100 profit!

Lekin 2026 mein maine ise **modified + safe** version banaya hai taaki bankroll jaldi na khatam ho.
